Service Numbers

In September 2009:

207 Georgians were seen at our mobile eye clinic, **36** of whom live in District A.

22 eye exams were given to District A residents.

39 residents in your district received a pair of **eye-glasses**.

75 Georgians received **hearing aids**. This represents a 25% increase over September of last year.

37 of the hearing aid recipients live in your district.

21 eye surgeries were performed.

Become a Luminary Society Member!

You can become a Luminary Society member if you pledge to donate \$1,000 to the Lighthouse, and you are on track to fulfill that pledge in 4 years or less. Your Luminary contribution is also credited your club; so please indicate on the check whether you want it to count toward the regular giving total or as a White Cane gift. For budget purposes we cannot record your gift twice, so it will officially count toward the club total and not the Luminary total, but you will still be recognized as a Luminary member.

Ask the Lighthouse

When is The Beacon published?

There are currently two versions of our newsletter, The Beacon. One version is electronic, and it is sent out every month. The other version is a hard-copy, and it is issued 3-4 times per year and is sent to every Lion in the state.

If you currently do not receive the Beacon but would like to, please send your name and contact information to Kim at 404-325-3630 x 313 or kfletcher@lionslighthouse.org

What is the difference between the content the Lighthouse puts in the district newsletters and that in The Beacon?

Every month the Lighthouse publishes information to be included in each district's newsletter and in the electronic Beacon. The Beacon is sent to a wide audience, including Lions and non-Lion volunteers, donors, doctors, and others who are interested in Lighthouse news. The district newsletters, as you know, are only distributed to Lions in each district. Therefore, the information in each district newsletter addresses the ways in which the Lighthouse is operating in each Lions' district. The information in The Beacon tends to be much broader, focusing on what the Lighthouse is doing throughout the state, and how others can get involved.

How can I submit my question to "Ask the Lighthouse?"

If you have a question about the Lighthouse, or if you recently discovered something you think other Lions should know, please contact Kim at 404-325-3630 x 313, or at kfletcher@lionslighthouse.org.

Lighthouse Client Comments

Here at the Lighthouse we often get thank you letters from patients. Because the Lions play such an integral role in making services at the Lighthouse possible, we thought you would appreciate reading some of the comments we've received:

"I really appreciate your services. I don't know how my life would be without the eyeglasses you gave me. My vision has improved and my life has improved, too. Thank you very much!"

"I want to thank the Georgia Lions Lighthouse Foundation charity for giving me a pair of new glasses. I am very grateful and thankful for you helping me to read and see better....May God bless your charity, and bless the people who take the time to help many men and women."

"You all are angels sent from heaven. You will never know how much you have helped me. I pray for you everyday. You gave me a gift I will never forget."

Thank you, Lions, for everything you are doing to change people's lives through your Lighthouse Foundation!
