

Upcoming Clinics in District F

The Lighthouse has thirteen clinics throughout Georgia where patients can come to get an eye exam and pick out a pair of glasses. If you would like to help by taking patient histories or assisting patients in choosing their glasses, we would love to have you! In order to help at a clinic, you will need to fill out a volunteer form. To request the form, please contact Tiffany Ellerbee at 404-325-3630 or at tellerbee@lionslighthouse.org Don't worry if you are not familiar with our clinics, you will receive training on anything that needs to be done.

For State and Federal Employees

If you are a state or federal employee, you can now have donations to the Lighthouse taken directly out of your paycheck through the Combined Federal Campaign. Because of the Lighthouse's partnership with Georgia doctors, every dollar you donate results in \$5 in care for a Georgian in need. Thank you!

Has your club set a White Cane goal?

If your club has not yet set a White Cane goal, please add it to the agenda for your next meeting! Setting a goal and writing it into the budget helps your club determine the best ways to fundraise for the White Cane campaign. Once you have a goal set, please send it to Kim at kfletcher@lionslight house.org or at 404-325-3630 x313.

Does your club have a White Cane chair?

Your club may want a chair for your White Cane campaign who is separate from your Associate Director. The chair will receive a packet from the Lions Lighthouse with ideas and information to help run a successful campaign. They are responsible for setting White Cane into the club budget, organizing the fundraisers, and other logistics surrounding the campaign. When you have a White Cane chair designated, please send his or her name and contact information to Kim at kfletcher@lionslight house.org or at 404-325-3630 x313.

Do you know the difference between regular club giving and White Cane giving?

Gifts to the Lighthouse that are designated for White Cane are used only for our eye surgery program. Regular club gifts can be used for any of the services the Lighthouse provides. These include vision clinics, eye glasses, and digital hearing aids for low-income Georgians. If a club gift is not designated, it is automatically considered a "regular" donation. When your club donates to White Cane, be sure to designate it as such so it gets credited the way you intend.

Thank you!

Help Us Use our Recycled Glasses

Every year over 100,000 glasses are donated to the Lions Lighthouse Foundation. With the help of the Lions clubs we take in prescription glasses, reading glasses, and non-prescription sunglasses.

The prescription glasses can only be distributed outside the United States, so we have trouble getting them out as quickly as we get them in. Are you going on a mission trip soon? Do you know someone who is? If you would like to bring glasses with you, please let us know! Also, please tell us whether you want the prescriptions included with the glasses. If you just want to bring the glasses for people to try on and see whether they can see out of them, there is no need for a prescription. However, if you are bringing an optician, optometrist, or ophthalmologist who can test what prescriptions the people will need, we can measure the prescriptions here and include them with the glasses.

If you have any glasses to donate, or if you have a mission trip coming up and would like to bring glasses with you, please contact your recycling committee representative.

eBay "Giving Works"

The Lighthouse is now part of eBay's "Giving Works" program. If you sell an item on eBay, you can opt to donate 10 to 100% of the proceeds to the Lighthouse. Giving Works items are given a special icon, and are searchable on the Giving Works page, so they tend to get more bids and go for a higher selling price than regular eBay items. To learn more or get started, please visit http://donations.ebay.com/charity/charity.jsp?NP_ID=33501
